

MARY IMMACULATE PARISH EAGLE VALE NSW

1 November 2022

Dear Parents,

2023 Parish Sacramental Program

For us Catholics, the reception of Holy Sacraments constitutes the climax of a spiritual journey which always leads us to Jesus Christ. Through Baptism we immerse ourselves in Christ; through Reconciliation we seek His forgiveness; Eucharist invites us into a deeper communion of life with Him, and in Confirmation the Holy Spirit empowers us to cling to Christ even more closely, and to bring him to others. Hence, people who ask for Sacraments are those who have encountered the Lord or have matured enough to make a personal and conscious decision to become His committed followers.

One of the most important tasks the Parish Community has is to help the candidates to prepare well for the reception of Sacraments, so that it is Jesus Christ they seek and find.

On the day of your child's Baptism, you solemnly promised to 'make it your constant care to bring your children up in the practise of the faith, to keep God's commandments by loving God and your neighbour, so that the divine life could grow always stronger in their hearts.' Now as your children wish to take a step forward on their Christian journey, we, the Parish Community at Mary Immaculate Church, are willing to help you to prepare them for another sacramental event.

The Parish based program means all children of our Parish, irrespective of the school they go to, will attend instructions at the Parish; that parents will be asked to be actively involved; and that the Program will be centred around the Sunday Mass which, for us believers, is the 'source and summit of Christian life'.

To ensure the candidates get as much as possible out of the program, we believe that the sacramental preparation should be offered to children no younger than Year 3. Our experience tells us, that sometimes, it is beneficial for children to undergo the sacramental program later in life, even if it is one or two years later. It is up to you, the parents, to determine when you believe your child is mature enough to receive the following sacraments but the earliest, they can receive them in our parish is as follows:

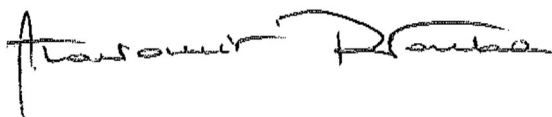

- a. Candidates for Reconciliation need to be in Year 3 or above.
- b. Candidates for 1st Holy Communion need to be in Year 4 or above
- c. Candidates for Confirmation need to be in Year 6 or above.

It should also be stressed that the reception of sacraments is optional, and that it is a moment when a person celebrates their newly formed or renewed relationship with Christ. Consequently, sacraments should not be a 'box to be ticked' or a requirement for enrolment in a Secondary Catholic School.

Please note that there are some changes to the registration process and timing of the reception of sacraments this year.

If you wish to proceed, please refer to the attached Frequently Asked Question sheet which includes sacrament dates for 2023.

FREQUENTLY ASKED QUESTIONS

1. Why is our sacramental program parish based?

This model of sacramental preparation is designed to support parents/guardians who are the foremost educators in their child's faith journey. The Catechism of the Catholic Church states that, "parents are called to be the first teachers of their children in the ways of faith".

Your local parish community supports, encourages and welcomes you and your child in their faith journey. This includes preparation and your ongoing sacramental participation. The program is parish based with all preparation conducted outside school hours.

2. What are the main requirements of the program?

At least one parent/guardian and the candidate need to participate in all aspects of the program including:

- Registration

3. Do I belong to Mary Immaculate Parish?

Yes, if you attend weekend Mass at Mary Immaculate, Eagle Vale.

4. What if I am a parishioner of another parish?

Parish based sacramental programs are available at all surrounding parishes and we recommend that your child's sacramental preparation and reception be done in your local parish.
