

REGISTRATION FOR SACRAMENTS 2023

Welcome to registrations for Sacraments for 2023 at Mary Immaculate Parish Eagle Vale.

Please ensure that you have read the sacramental information that is under the Sacraments tab on our website before you register your child to receive sacraments.

Below are the links to register your child for Reconciliation and/or First Holy Communion and/or Confirmation in 2023. **Please note** that there is a separate link for each sacrament. If you are registering your child for more than one sacrament, you will need to register each sacrament separately.

Registration closes at midnight on the 31st of December 2022

You will receive an email containing a copy of your responses after you complete the registration as confirmation. If you don't receive an email confirming your registration, your registration might not be valid. If this does occur, please contact the sacramental team at eaglevaluesacraments@dow.org.au before the closing date so that we can validate your registration.
