Farewelling Fatima, we travel by coach across the border into Spain and on to the walled city of **Avila** where the atmosphere has changed little since the days of St Teresa to whom the city is dedicated. It was here that she entered the Carmelite convent and encountered many mystical experiences during her time.

On arrival we pass through the city walls and a visit the **Convent of Saint Teresa** built over the saint's birthplace and located just inside the South Gate of the old town. Most of the convent remains in cloister but you can see the very spot where she was born, now a chapel in the Baroque church. The renowned eleventh-century sanctuary of Our Lady of Montserrat lies at the top of a 4000 foot high mountain and is one of Spain's most popular pilgrimage destinations. The shrine is home to a twelfth-century miraculous statue of the Blessed Virgin Mary, lovingly known as the "**Black Madonna**", discovered in the **Santa Cova** or Holy Cave. Here at Montserrat St Ignatius kept vigil with a coarse sackcloth and a pilgrim staff.

We take time here at the **Holy Cave** for prayer and reflection before taking the funicular railway back up to the Sanctuary.

We come as pilgrims to this amazing place with St Ignatius and pray in the actual cave where his life and spirituality developed.
